Spiritual Practice

Choose one of the four “branches” of our YOUiversal Prosperity Tree of Life. Reflect on the quotes related to that “branch” and ask yourself:

- What are these quotes saying to me, at the deepest level of my Being?
- What questions are they raising for me?
- What other ideas and thoughts are these quotes bringing up for me?
- Is anything making me feel uncomfortable?
- What actions are the quotes calling me to take?
- What other quotes, books, music, poetry, artwork, etc. relate to this “branch” of my YOUiversal Prosperity Tree of Life and can inspire my Spiritual Enrichment?
